STOCK OF PLANTS

b940 -41

The following is published for general information:—

LISTS OF PLANTS

which may usually be obtained from the Botanic Gardens at Singapore and Penang.

> (S.) and (P.) mean at Singapore or at Penang only. * Means suitable for hedge-making.

Unless stated otherwise, the prices are for small plants in pots and the price may be altered according to the size of the plant. Rooted cuttings dug from the nursery and not in pots are charged at 20 to 40 cents, according to size. The cost of packing and all subsequent charges are extra.

Plants not included in the following lists are sometimes available.

[No. 768/38].

The following is published for general information:—

LIST OF PLANTS

which may usually be obtained from the Botanic Gardens at Singapore and Penang.

(S.) and (P.) mean at Singapore or at Penang only.

* Means suitable for hedge-making.

† Unrooted cuttings for hedge-making, 100 for 75 cts.

Unless stated otherwise, the prices are for small plants in pots and the price may be altered according to the size of the plant. Rooted cuttings dug from the nursery and not in pots are charged at 20 to 40 cents, according to size. The cost of packing and all subsequent charges are extra.

Plants not included in the following lists are sometimes available.

Occasionally plants of other orchids are for sale; prices on application.

[No. C.S.O. 768/38].

The following is published for general information:—

LIST OF PLANTS

which may usually be obtained from the Botanic Gardens at Singapore and Penang.

(S.) and (P.) mean at Singapore or at Penang only.

* Means suitable for hedge-making.

† Unrooted cuttings for hedge-making, 100 for 75 cts.

UL

0 25

0 40

Unless stated otherwise, the prices are for small plants in pots and the price may be altered according to the size of the plant. Rooted cuttings dug from the nursery and not in pots are charged at 20 to 40 cents, according to size. The cost of packing and all subsequent charges are extra.

Plants not included in the following lists are sometimes available.

Occasionally plants of other orchids are for sale; prices on application.

[No. C.S.O. 768/38].

The following is published for general information:—

LIST OF PLANTS

which may usually be obtained from the Botanic Gardens at Singapore and Penang.

(S.) and (P.) mean at Singapore or at Penang only.

* Means suitable for hedge-making.

† Unrooted cuttings for hedge-making, 100 for 75 cts.

Unless stated otherwise, the prices are for small plants in pots and the price may be altered according to the size of the plant. Rooted cuttings dug from the nursery and not in pots are charged at 20 to 40 cents, according to size. The cost of packing and all subsequent charges are extra.
